6. Now, on your KBC app, either select “Enter credentials for online activation” and enter your Registration Identifier and Activation Password or “Scan CRONTO for activation”. Using this option, the camera on your mobile device will open. Simply focus the camera on the CRONTO image and you will be brought to the next screen.
7. Now you will need to pick a 6 digit password. You should ensure you choose a complex number that cannot be easily guessed. **It is important to remember this as it will be required each time you want to access your KBC Business Banking Online.**

Accessing KBC Business Banking Online

1. Each time you log into KBC Business Banking Online, you will need to generate a One Time Password (OTP) on the KBC App.
2. This can be done by selecting ‘OTP’ and entering your 6 digit password (as chosen in step 7 of Activating your KBC Business Banking App).
3. The OTP shown will remain valid for 60 seconds and login must be completed within this time.
