- 51.3 If you report your Debit Card as being lost or stolen in accordance with Clause 51.2 above you hereby irrevocably authorise us to suspend and or cancel your Debit Card. Once the Debit Card has been reported lost or stolen in accordance with Clause 51.2 above and we have cancelled or suspended it, the Debit Card may not be used again even if it is subsequently located.
- 51.4 You hereby agree to provide all necessary information and assistance and to co-operate fully with all investigations carried out in connection with the loss or theft of your Debit Card including those conducted by us internally and those carried out by the Garda Siochana or other third party investigative authority. You hereby authorise us to inform and disclose all relevant information in connection with the loss or theft of your Debit Card to any appropriate third party.
- 51.5 Where you have been a victim of fraud, we may require you to report it to An Garda Siochana.
- 51.6 We monitor Debit Card transactions for possible suspicious activities. If we believe suspicious activity is taking place or the Debit Card is or may be being used improperly, we may without having any liability to you for so doing, decline to authorise further transactions on the Current Account until we have contacted you and satisfied ourselves in that regard. We will endeavour to contact you before we take a decision to decline authorisation of such transactions however it may not always be possible for us to contact you before declining such transactions. You hereby agree and authorise us to take such actions as we deem necessary including suspending the Debit Card if it cannot be established that the transaction is a valid transaction.
- 51.7 We will send the Debit Card and PIN to the address we hold for you on our records. You should ensure that arrangements for the receipt of mail at that address are secure. If you change address you must immediately notify us in writing. If you fail to do so there is a risk that your mail could be intercepted resulting in fraud on the Current Account.

52. LIABILITY FOR LOSS OR THEFT OF DEBIT CARD

- 52.1 Subject to Clause 52.2, you may only be liable for €50 in respect of unauthorised transactions carried out using your Debit Card. You are not liable for any transactions carried out using your Debit Card after you have reported it lost or stolen in accordance with Clause 51.2 above.

We will refuse to issue a new Debit Card where you have closed your Current Account or are in breach of any of these Terms and Conditions. A fee may be charged for the issue of a replacement Debit Card.

53. CASH WITHDRAWALS

- 53.1 You can use your Debit Card in conjunction with your PIN to make a Cash Withdrawal from an ATM where the Mastercard symbol is displayed or at retailers who offer a "cashback" service. When you make a withdrawal we will deduct the amount of the withdrawal from the Current Account and it will be immediately reflected on the available balance.
- 53.2 In respect of Cash Withdrawals from an ATM using your Debit Card, daily limits apply in relation to the amount of funds that can be withdrawn and the number of ATM withdrawals you can do from the Current Account on any one day. These limits will be determined by us at our sole discretion and may vary from time to time without prior notice from us. These limits are available on request at any time. ATM providers and retailers may apply their own limits to Cash Withdrawals and these may be lower than the daily limit set by us.
- 53.3 You can use your Debit Card in conjunction with your PIN to withdraw cash over the counter from for example a Bureaux de Change where the Mastercard symbol is displayed up to a specified limit. This limit will be determined by us at our sole discretion and may vary from time to time without prior notice from us. These limits are available on request at any time. Some over the counter providers such as Bureaux de Change apply their own limits to Cash Withdrawals and these may be lower than the daily limit set by us.

54. POINT OF SALE TRANSACTIONS

When using your Debit Card for a Point of Sale Transaction you may be asked to either enter your PIN or hold your Debit Card against a card reader depending on the payment terminal or sign if a Chip and PIN is not available.

55. CHIP & PIN TRANSACTIONS

- 55.1 For transactions which require a Debit Card to be inserted into the POS Terminal you will be generally prompted to input your PIN into the POS terminal.
- 55.2 Some POS Terminals may require your signature if they do not have a Chip and PIN facility.
- 55.3 In respect of Point of Sale Transactions using your Debit Card, daily limits apply in relation to the amount of purchases that can be made and the number of Point of Sale transactions you can do from the Current Account on any one day. These limits are available on request.

56. CARDHOLDER NOT PRESENT TRANSACTIONS

- 56.1 You may authorise a Point of Sale Transaction when you are not in the presence of a retailer or merchant for example over the telephone or online. This is called a "cardholder not present" transaction and the retailer or merchant may ask for any or all of the following details:
- Your Debit Card number,
 - Debit Card validation (last three digits on back of your card),
 - Debit Card expiry date,
 - Your name, address and telephone number,
 - The address to which goods should be delivered, and
 - The amount charged, date and time.

Some retailers or merchants may require you to provide Strong Customer Authentication which can include the use of a MasterCard Identity Check to authorise a cardholder not present transaction. In order to use the service, the cardholder must have a valid mobile phone number registered to the Account. A unique one-time 8 digit numeric passcode will be sent via SMS to your mobile phone at the time authorisation is requested by the merchant. You must enter the unique one-time passcode when prompted. There is no requirement to register for MasterCard Identity Check. We bear no responsibility for any loss, damage, or expense you may incur as a result of authorising a transaction through MasterCard Identity Check. It is your responsibility to ensure KBC holds your up to date mobile phone number to ensure you have continued use of the MasterCard Identity Check service. You must keep your MasterCard Identity Check secret, memorise it and take the greatest care possible to prevent anyone obtaining it or using it fraudulently.

- 56.2 If we authorise a payment as a cardholder not present transaction this will immediately reduce the available balance in the Current Account by the payment amount.
- 56.3 Some retailers or merchants will apply for pre authorisation of a payment when you give them your Debit Card number

e.g. booking a hotel room. The pre authorisation amount will reduce the available balance on the Current Account as set out in Clause 56.2 above.

- 56.4 We have no obligation, responsibility or liability to you or the retailer/merchant concerning goods or services purchased using the Debit Card. You should contact the retailer or merchant if you have any query, complaint or dispute about the goods and services they supply to you. We will not negotiate or enter into any communication with a retailer or merchant on your behalf.
- 56.5 In some circumstances a retailer or merchant may require an authorisation from us to permit a particular transaction which exceeds the transaction limits to proceed. These transaction limits are set by the retailer and are in addition to any transaction limits we may have. The granting of this authorisation is at our discretion and has the effect of reducing the credit balance on the Current Account.
- 56.6 We have no obligation, responsibility or liability to you if a retailer or merchant refuses to accept your Debit Card or if the retailer or merchant fails to contact us for authorisation where required.
- 56.7 Once you have authorised a Point of Sale Transaction, it cannot be subsequently revoked (whether or not a voucher is signed or a PIN number verified). Where you have authorised a retailer or merchant to set up a continuous Payment Instruction on your Debit Card and you wish to cancel it, you must send a written cancellation notice to the retailer or merchant and keep a copy of the letter. Service of such a cancellation notice on a retailer or merchant shall not constitute, or be deemed to constitute, service of any such notice on us.
- 56.8 When a Point of Sale Transaction is authorised by use of a Debit Card and PIN, the use of the PIN will be regarded as conclusive evidence that the Point of Sale Transaction was authorised by you.
- 56.9 When a cardholder not present transaction is authorised with Strong Customer Authentication, this will be regarded as conclusive evidence that the cardholder not present transaction was authorised by you. Use of the Mastercard Identity Check by you is subject to the terms and conditions of Mastercard Identity Check.
- 56.10 If a retailer or merchant initiates a refund in respect of a Point of Sale Transaction carried out on the Current Account we will only credit the Current Account with the amount due upon receipt and processing of the refund amount by us from the retailer or merchant. For non-euro Transactions the amount actually credited to the Current Account may, following deduction of relevant fees and charges, differ from the original amount of the Point of Sale Transaction effected on the Current Account.
- 56.11 KBC MasterPass Wallet is a digital wallet service ("MasterPass") offered by Mastercard Europe sprl ("Mastercard"), with company number/VAT number BE 0448.038.446, in partnership with KBC Bank Ireland plc. that stores your selected payment and shipping information in one convenient and secure place (the "KBC MasterPass Wallet") and transmits that information at your request to online merchants that display the MasterPass checkout mark (the "MasterPass Checkout Button") on their website, mobile site or smart device application. 57. CONTACTLESS TRANSACTIONS

- 57.1 A contactless transaction is one where you are not required to sign or enter your PIN in order to authorise the transaction.
- 57.2 You can use the Debit Card to make purchases for small amounts without using the Chip and PIN. The use of the Debit Card for a contactless transaction will be conclusive evidence that it is authorised by you.
- 57.3 When you make a payment using a contactless card reader you must place your Debit Card against the reader in the retail outlet. The Debit Card will be detected and the payment is completed without you entering your PIN. From time to time, for your security, we may ask you to conduct a Chip and PIN transaction in which case you must insert your card and enter your PIN.
- 57.4 There is a maximum limit on the value of each contactless transaction which is determined by us at our sole discretion and may vary from time to time without prior notice from us. These limits are available on request at any time. In addition retailers or merchants may apply their own limits in respect of contactless transactions.

58. AVAILABILITY OF DEBIT CARD SERVICES

- 58.1 KBC is under no obligation to provide ATM facilities or Debit Card Services at any time or any location.
- 58.2 We shall not be responsible or liable for any malfunction, fault, suspension, breakdown, interruption or any other operational or technical problem with any system or service used to process transactions using Debit Cards. We may without liability to you suspend or discontinue Debit Card Services for such period of time as is required to remedy the problem. In addition we may at any time, where we believe at our absolute discretion that there is a real or potential security risk, suspend or discontinue the Debit Card Services until such security risk is resolved without liability to you.

59. USING A DEBIT CARD FOR PURCHASES IN FOREIGN CURRENCY AND ABROAD

- 59.1 Your Debit Card may be used in most countries worldwide. You should notify us in advance if you are planning to travel abroad. The use of your Debit Card while abroad is subject to local legal and regulatory requirements and your Debit Card may not be used in a foreign country for a purpose which is illegal under the laws of that country.
- 59.2 If you use your Debit Card for a non-euro transaction or Cash Withdrawal in a country that is not a member of the Euro, the amount of any non-euro transaction will be converted to euro at the rate of exchange (as determined by Mastercard) applicable on the date the transaction or withdrawal is debited to your Account in accordance with the procedures of the applicable Scheme Rules. Accordingly the date of conversion may not be the date of the transaction or withdrawal. We have no control over when the transaction or withdrawal will actually be processed by the Scheme Rules. For transactions or withdrawals in EEA countries we can provide you with an indicative rate of exchange on the day of the transaction if you contact us, but as outlined above, this may not be the actual rate that will be applied as exchange rates may fluctuate between the date of a transaction or withdrawal and the date on which the transaction or withdrawal amount is debited to your Current Account.
- 59.3 Non Euro transactions will attract additional fees and charges and are charged to your account as they occur, typically the date the transaction is posted to your Current Account. These fees and charges are outlined in our Fees and Charges Booklet. In addition some ATM providers in other countries may charge a fee for use of their ATM facilities.
- 59.4 We will send you a text message if your Debit Card is used to complete a Non-Euro transaction within the EEA or to make a Cash Withdrawal from an ATM in a country that is a Non-Euro member of the EEA. The message will set out the details of the currency conversion for the transaction including the percentage mark up. The percentage mark up indicates the difference between (i) the rate of exchange as determined by Mastercard and (ii) the rate you would pay if the transaction was carried out at the latest available ECB rate for foreign exchange conversion on the date of the transaction (excluding any fees and charges). This rate is available on our website. You will receive this message the first time you use your Debit Card in any calendar month for such a transaction. You will only receive the message once in any calendar month. If we do not have a mobile number for you we will not be able to provide this information to you. You may opt out of receiving these messages by contacting us.

60. CANCELLATION AND TERMINATION OF THE DEBIT CARD AND DEBIT CARD SERVICES

- 60.1 If you wish to cancel your Debit Card or cease using Debit Card Services, you must advise us in writing and then destroy the Debit Card by cutting through the chip and magnetic stripe. The cancellation of the Debit Card or the cessation of Debit Card Services on your Account will not automatically result in the closure of the Current Account.
- 60.2 If an Accountholder is removed from the Current Account, any Debit Card in that Accountholder's name will be automatically cancelled by us. In the case of a Joint Account, both Accountholders remain jointly and severally liable for any amount which is owed to us on an account irrespective of whether one Accountholder has cancelled his / her Debit Card.
- 60.3 We may immediately suspend, block any Debit Card, cancel and/or refuse to issue or replace any Debit Card and cease to provide Debit Card Services to you if:
- 60.3.1 you or we close your Current Account;
 - 60.3.2 we have reason to believe that you or any Joint Accountholder are no longer able to manage your financial affairs;
 - 60.3.3 you die;
 - 60.3.4 any representation, warranty or statement made by you to us is or becomes, in our opinion, incorrect or untrue in any material respect or any evidence subsequently comes to our attention that false documentation and/or information was provided to us in support of your application for the Debit Card and/or Current Account;
 - 60.3.5 you commit any serious or repeated breach of these Terms and Conditions;
 - 60.3.6 you are in breach of any other agreement with us;
 - 60.3.7 it becomes unlawful for you to continue to have a Debit Card;
 - 60.3.8 we must do so to comply with any law, regulation or direction from a relevant competent authority or competent court;

- 60.3.9 you enter into any arrangement with your creditors, are declared bankrupt or insolvent or have a judgment registered against you or are the subject of any analogous insolvency processes proceedings in another jurisdiction;
 - 60.3.10 you use or we suspect that the Current Account, Debit Card Services or your Debit Card is being used for any unlawful or other inappropriate purpose; or
 - 60.3.11 for any reason this agreement or the Terms and Conditions becomes unenforceable or void.
- 60.4 After the suspension and/or blocking of a Debit Card we may provide you with notice of such suspension. Whilst the Debit Card is suspended and/or blocked, we may cancel any Debit Card and/or refuse to issue, renew or replace any Debit Card by giving you 2 months' notice whereupon you must cut all Debit Cards in two (through the signature box, magnetic strip and Chip).
- 60.5 If the Current Account is closed, you must immediately pay all sums owing on the Current Account and debit interest, fees and charges will be charged up to the date of closure and Debit Card Services will not be available after the date of closure of the account.
- 60.6 In addition to the above we may cancel your Debit Card and cease to provide you with Debit Card Services at any time for any reason by providing you with two months prior written notice unless otherwise permitted by law.

- 61.5 Once received by us for execution, Payment Instructions are irrevocable.
- 61.6 Our ability to execute a Payment Instruction in a timely manner is dependent on our receiving a complete Payment Instruction from you by the relevant Cut Off time.
- 61.7 We may use intermediary or agent banks and clearing and settlement systems of our choice to execute any payment.
- 61.8 You must notify us without undue delay on becoming aware of any unauthorised or incorrectly executed payment from the Account. We will consider whether there has been undue delay, having regard to all the circumstances including those set out in Clause 63.1.1 (iii) and otherwise in these Terms and Conditions.
- 61.9 We will ensure that each complete Payment Instruction received from you and accepted by us is credited to the beneficiary account in accordance with these Terms and Conditions and is credited on the next Business Day where we are also the beneficiary's bank.
- 61.10 Where you wish to make a payment by a particular deadline, you should allow additional time to the execution times contained in these Terms and Conditions for the beneficiary's bank to process and make that payment available to the beneficiary.

61.11 In respect of mobile or online credit transfers, daily limits apply in relation to the amount of funds that can be transferred and the number of transfers that can be done from the Account on any one day. These limits will be determined by us at our sole discretion and may vary from time to time without prior notice from us. These limits are available to customers on request.

62. UNAUTHORISED PAYMENTS

62.1 We will, in accordance with our obligations under the PSD and subject to these Terms and Conditions, refund to you the amount of any payment or withdrawal debited from the Account which was not authorised by you and where necessary restore the Account to the state it would have been in had the transaction not taken place.

62.2 We will have no liability under this Clause 62 for any loss suffered by you where you:

62.2.1 have acted fraudulently;

62.2.2 have intentionally, or because of your lack of reasonable care, not used or have failed to keep safe and secure any of the Online Security Materials and/or Mobile Security Materials or other security features or procedures;

62.2.3 have intentionally, or because of your lack of reasonable care, failed to notify us without undue delay of the loss, theft or misappropriation of any Security Feature or breach of any security procedure; and/or

62.2.4 if there is undue delay on your part in notifying us of the unauthorised payment.

62.3 We will normally consider that there has been undue delay in this regard if you fail to notify us within 30 days after receipt by you of a statement for the Account showing the relevant debit to the Account.

62.4 In any event a failure to notify us within 13 months of the payment being debited to the Account will always amount to undue delay.

63. INCORRECTLY EXECUTED AND NON EXECUTED PAYMENTS

63.1 We will, in accordance with our obligations under the PSD and subject to the following requirements, be liable to you for the correct execution of any Payment Instruction to make a payment from the Account properly given by you to us in accordance with the requirements of these Terms and Conditions. However, this Clause only applies where:-

(i) the beneficiary's Bank is located in the EEA;

(ii) you provided us with the correct Unique Identifiers for the payment in question;

(iii) there is no undue delay on your part in notifying us of the incorrect or non-executed payment. You hereby agree to notify us as soon as possible and in any event within 30 days of receipt of the account statement and failure to do so will be normally considered as an undue delay. In any event a failure to notify us within 13 months of the incorrect payment will always amount to undue delay; or

63.1.2 where none of the events detailed in Clauses 58.2 and 96.3 prevent us from making payment.

63.2 We shall have no liability to you under this Clause where we can prove to you and, where relevant, the beneficiary's bank, that the payment was received by the beneficiary's bank within the applicable timeframe.

63.3 Where we are liable under this Clause, we will refund to you, without undue delay, the amount of the non-executed or incorrectly executed payment and, where applicable, restore the Account to the position it would have been in, had the non-executed or incorrectly executed payment not taken place.

63.4 Regardless of the issue of liability, where you notify us of an incorrectly executed payment, we will make immediate efforts to trace the whereabouts of the defective payment and inform you of the results of such efforts. If as a result of our investigation we establish that the Payment Instruction received by us was correctly executed, we reserve the right to debit the Account with our charges and any fees or charges levied or sought from us by any other banks involved in investigating the payment.

63.5 For the avoidance of doubt, but subject to the foregoing, where we are providing you with services to which the PSD applies, we will be liable to you for any charges for which we are responsible and any interest levied by us to which you are subject as a result of our non-execution or defective execution of a payment.

PART F - Overdrafts

64. AVAILABILITY OF AN OVERDRAFT

64.1. You may apply for an Overdraft on your Current Account. The approval of an Overdraft on your Current Account is at our discretion and subject to credit criteria. An Overdraft is only available to those aged 18 years or above. To be eligible to apply for an Overdraft your salary must have been mandated to your Current Account for the 3 months prior to application. If you are self employed please contact us to discuss your application.

- 64.2. If we approve an Overdraft on your Current Account, the Overdraft shall be subject to the terms of the Letter of Sanction and these Terms and Conditions.
- 64.3. Where there is any conflict between the Letter of Sanction and these Terms and Conditions, the Letter of Sanction shall prevail.
- 64.4. You are deemed to have accepted these Terms and Conditions when you first avail of and drawdown the Overdraft and on every subsequent drawdown and renewal of the Overdraft unless you have otherwise agreed to the terms of the Overdraft and these Terms and Conditions.

65. PAYMENTS

You will make all payments under the Overdraft without set-off or counterclaim and (save as required by law) free and clear of any withholding or deduction for any present or future taxes duties or other charges. If you are obliged by law to make any such withholding or deduction, you will pay to us additional amounts to ensure that we receive a net amount equal to the full amount we would have received if no such withholding or deduction had been required.

66. VARIATION OF THE OVERDRAFT LIMIT

- 66.1 At your request we may at any time, at our sole discretion, reduce or increase the Overdraft Limit. We may also at anytime, at our own initiative and discretion, reduce the Overdraft Limit by giving you 14 days prior notice in writing of such variation. On a reduction of your Overdraft Limit any debit balance in excess of the Overdraft Limit will become immediately repayable and subject to a surcharge in accordance with Clause 69.5 below. If we agree, at our discretion, to increase your Overdraft Limit we will confirm this in writing.
- 66.2 In operating within the Overdraft Limit you must take account of interest and other charges debited to the current account during the term of the Overdraft and lodgements made to the current account that have not yet cleared (i.e. remain subject to the possibility of non-payment).

67. NO IMPLIED LIMIT AS A RESULT OF AN EXCESS

- 67.1 We are not obliged to permit you to exceed the Overdraft Limit. However, if on any occasion or occasions (however frequently) we do permit you to exceed the Overdraft Limit:-
- (a) this is not, in any circumstances, to be taken as an implied increase in the Overdraft Limit; and
 - (b) we will not be obliged, in any circumstances, to permit you to exceed the Overdraft Limit on any other occasion or occasions; and
 - (c) you will be liable for any interest surcharge in accordance with the terms of the Letter of Sanction.

68. MINIMUM PERIOD IN CREDIT

The Overdraft is subject to the condition that the Current Account must operate in credit for a minimum of one day in any 12 month period after activation of the Overdraft and any subsequent renewal thereof.

69. INTEREST AND FEES

- 69.1 Interest will be payable on the cleared daily debit balance under the Overdraft at the rate indicated in the Schedule on the Letter of Sanction as varied from time to time. That is, allowance is not made for cheques, drafts or other credits lodged until value has been received or for credit interest accrued but not yet credited to the Account. The rate indicated in the Schedule to the Letter of Sanction is the KBC Personal Overdraft Rate which is the reference rate for the purposes of the Overdraft. You can obtain details of the current KBC Personal Overdraft Rate on our website, in any of our offices or by contacting us directly.
- 69.2 Interest will be debited to the Current Account quarterly in arrears (or at such other intervals as are notified to you from time to time) and on final payment.
- 69.3 The interest rate applicable to the Overdraft is a variable rate and will vary in amount from time to time. We will give you at least 2 months notice of any change in the rate in accordance with Clause 18.2.
- 69.4 Interest will accrue from day to day and be calculated on the basis of the actual number of days elapsed and the number of days in a year as from time to time corresponds with the normal banking practice for the currency concerned which for the Euro is presently 365 days based on a 360 day year and will be payable as well after as before any judgment or demand.
- 69.5 A surcharge (in addition to the standard rate of interest applicable to the Overdraft) will apply to any drawings under the Overdraft in excess of the Overdraft Limit and will be debited to the Current Account quarterly in arrears (or at such other intervals as we may from time to time notify to you) and on final payment. Our current rate of surcharge is set out in our Fees and Charges booklet.
- 69.6 We reserve the right from time to time to increase the rate of surcharge if we determine that a higher rate is necessary to adequately compensate us. At the time any such increase is put into effect, the new rate will not exceed the rate then

currently charged by us on excess drawings on accounts that it considers to be of the same type as the current account. Any variation in the surcharge rate will be notified in the same way as a variation in the interest rate. If you do not agree with the increase in the rate of surcharge you may terminate this Overdraft.

70. NO COMMITMENT TO FURTHER LOANS

Nothing in the Letter of Sanction or these Terms and Conditions shall be construed as requiring us to provide any further loan facilities to you and the provision of any further loans shall be solely at our discretion.

71. COSTS AND EXPENSES

You will pay on a full indemnity basis all costs and expenses (including, without limitation, legal fees) and VAT thereon incurred by us in connection with the set up and renewal of the Overdraft and or in connection with the preservation or enforcement of our rights in relation to the Overdraft.

72. JOINT AND SEVERAL LIABILITY

- 72.1 If there is more than one Account Holder, your liability in respect of the Overdraft shall be joint and several and the act or default of any of you shall be deemed to be the act or default of all of you. We may grant time or indulgence to, or release, any of you without affecting our rights against the other(s) of you.
- 72.2 Each of you who has effectually accepted the Letter of Sanction shall be bound by its terms even if any other person intended or expressed to be bound by its terms is not so bound.
- 72.3 None of you shall as against us be entitled to any of the rights or remedies legal or equitable of a surety as regards the indebtedness, obligations or liabilities of any of the other of you or be entitled in competition with or priority to us to claim or exercise any of the rights (in the nature of contribution or otherwise) of one joint (or joint and several) debtor against another.

73. WARRANTIES

- 73.1 You hereby warrant to us that:-
 - 73.1.1 all information supplied by you to us is true, accurate and complete in all material respects;

- 94.2.3 The use of your Credit Card for Point of Sale Transactions is subject to daily limits. These limits are available on request at any time. These limits will be determined by us at our sole discretion and may vary from time to time without prior notice from us.
- 94.3 Cardholder not present transactions
- 94.3.1 You may authorise a Point of Sale Transaction when you are not in the presence of a retailer or merchant for

example over the telephone or online. This is called a “cardholder not present” transaction and the retailer or merchant may ask for any or all of the following details:

- Your Credit Card number,

In order to use the service, the cardholder must have a valid mobile phone number registered to the Credit Card Account. A unique one-time 8 digit numeric One Time Passcode will be sent via SMS to your mobile phone at the time authorisation is requested by the merchant. You must enter the unique one-time passcode when prompted. There is no requirement to register for Mastercard Identity Check. We bear no responsibility for any loss, damage, or expense you may incur as a result of authorising a transaction through Mastercard Identity Check. It is your responsibility to ensure KBC holds your up to date mobile phone number to ensure you have continued use of the MasterCard Identity Check service. You must keep your MasterCard Identity Check secret and take the greatest care possible to prevent anyone obtaining it or using it fraudulently.
- 94.3.3 If we authorise a transaction as a cardholder not present transaction this will immediately reduce the available balance on the Credit Card Account.
- 94.3.4 Some retailers or merchants will apply for pre authorisation of a payment when you give them your Credit Card number e.g. booking a hotel room. The pre authorisation amount will reduce the available balance on the Credit Card Account.
- 94.3.5 We have no obligation, responsibility or liability to you or the retailer/merchant concerning goods or services purchased using the Credit Card. You should contact the retailer or merchant if you have any query, complaint or dispute about the goods and services they supply to you. We will not negotiate or enter into any communication with a retailer or merchant on your behalf.
- 94.3.6 In some circumstances a retailer or merchant may require an authorisation from us to permit a particular transaction which exceeds the transaction limits to proceed. These transaction limits are set by the retailer and are in addition to any transaction limits we may have. The granting of this authorisation is at our discretion and has the effect of reducing the available balance on the Credit Card Account.
- 94.3.7 We have no obligation, responsibility or liability to you if a retailer or merchant refuses to accept your Credit Card or if the retailer or merchant fails to contact us for authorisation where required.
- 94.3.8 Once you have authorised a retail purchase, it cannot be subsequently revoked (whether or not a voucher is signed or a PIN number verified). Where you have authorised a retailer or merchant to set up a continuous Payment Instruction on your Credit Card and you wish to cancel it, you must send a written cancellation notice to the retailer or merchant and keep a copy of the letter. Service of such a cancellation notice on a retailer or merchant shall not constitute, or be deemed to constitute, service of any such notice on us.

- 94.3.10 When a cardholder not present transaction is authorised with Strong Customer Authentication, this will be regarded as conclusive evidence that the cardholder not present transaction was authorised by you. Use of the Mastercard Identity Check by you is subject to the terms and conditions of Mastercard Identity Check.
- 94.3.11 If a retailer or merchant initiates a refund in respect of a Point of Sale Transaction carried out on the Credit Card Account we will only credit the Credit Card Account with the amount refunded upon receipt and processing of the refund amount by us from the retailer or merchant. For non-euro transactions the amount actually credited to the Credit Card Account may, following deduction of relevant fees and charges, and applying the daily foreign exchange rate differ from the original amount of the Point of Sale Transaction effected on the Credit Card Account.

- 94.4.2 You can use the Credit Card to make purchases for small amounts without using the Chip and PIN.
- 94.4.3 When you make a payment using a contactless card reader you must place your Credit Card against the reader in the retail outlet. The Credit Card will be detected and the payment is completed without you entering your PIN. From time to time, for your security, we may ask you to conduct a Chip and PIN transaction in which case you must insert your Credit Card and enter your PIN.

94.4.4 There is a maximum limit on the value of each contactless transaction which is determined by us. These limits will be determined by us at our sole discretion and may vary from time to time without prior notice from us. These limits are available on request at any time. In addition retailers or merchants may apply their own limits in respect of contactless transactions.

Although we do not determine how a retailer processes a transaction, online retailers generally process the transaction as an online transaction. However, there may be instances whereby a retailer may choose to process a transaction as a point of sale transaction. Online transactions processed as a point of sale transaction will not qualify for the reward.

94.5.4. We at our discretion may at anytime withdraw or amend the reward feature on your Credit Card account to include without limitation changing the percentage of the reward payable and/or the category of purchases which are eligible for the reward. We will provide you with notice of any amendments in accordance with Clause 18.

94.5.5. You will not be eligible for any reward if KBC suspends, blocks or cancels your Credit Card or terminates the Agreement for any of the reasons set out in Clause 102 below or at our discretion where we deem you to be in breach of the terms of your Credit Card Account.

For transactions or withdrawals in EEA countries we can provide you with an indicative rate of exchange on the day of the transaction if you contact us, but as outlined above, this may not be the actual rate that will be applied as exchange rates may fluctuate between the date of a transaction or withdrawal and the date on which the transaction or withdrawal amount is debited to your Account.

- 103A.7 The monthly repayment amount on your Instalment Plan will be calculated by splitting the Purchase Amount together with interest due over the length of the term you have chosen so that as far as practicable the aggregate sum of each of the monthly instalments shall be of equal amount, save for the last month which may be less or greater dependant on the date which the agreement is entered into or where you select an alternative repayment date. - 103A.11 The "Instalment Plan Interest Rate" is the rate of interest that we apply to purchases within your Instalment Plan. This rate is variable and subject to change and will be set out in the confirmation letter issued to you on implementation of the Instalment Plan. The Instalment Plan Interest Rate will be less than the general rate of interest for purchases you make with the Credit Card. Interest at the Instalment Plan Interest Rate accrues on a daily basis on the amount you owe us on the Instalment Plan. Details of the balance and payments made on your Instalment Plan will be set out on your monthly statements.
- 103A.12 If you make a payment in excess of the Minimum Payment Due, this is referred to as an overpayment and any such overpayment will in the first instance be allocated to reduce balances charged at the highest interest rates and then to any lower-rate balances on your Credit Card Account. Any payment amount remaining thereafter will be used to reduce your remaining Instalment Plan balance. This could mean that your Instalment Plan may be redeemed early.

103A.13 KBC is entitled to apply and appropriate payments received in such manner or order of priority as it deems fit, notwithstanding any specific instruction from you or any third party. Without prejudice to the generality of the foregoing, we may apply payments received firstly towards any fees and charges payable or any overdue Instalment Plan payments, secondly in reduction of the interest due and payable at that date, thirdly in reduction of principal and thereafter in and towards the payment and discharge of any other monies, obligations and liabilities which are or may be due, owing or incurred by the you to KBC.
